

INDEPENDENT AUDITOR'S REPORT**To the Members of ROHTAK-PANIPAT TOLLWAY PRIVATE LIMITED****Report on the audit of the Financial Statements****Qualified Opinion**

We have audited the Financial Statements of **ROHTAK-PANIPAT TOLLWAY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2026 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of material accounting policy information and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, **except for the effects of the matter stated in the "Basis for Qualified Opinion" section of our report**, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026 and its profits, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

With reference to the Note No.13 of the Financial statements, which states that the lenders have classified all the secured borrowings as non-performing assets. During the year, the Company has not accounted for interest on rupee term loan from banks and financial institutions as well as Unsecured loans from group companies, which has resulted in the understatement of finance cost and the related interest liability and corresponding understatement of losses, amount of which is unascertained.

Consequently, the unreserved and explicit statement of compliance with Indian Accounting Standards as notified in the Companies (Indian Accounting Standards) Rules, 2015, as amended, and further amendments thereto in Note No. 2(a) is not proper.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on Matter

We draw attention to:

1. We draw attention to Note No. 13 to the financial statements regarding the recovery proceedings initiated by the lenders of the Company before the Hon'ble Debts Recovery Tribunal (DRT), Ahmedabad vide Case No. OA/353/2023 for recovery of their dues against the Company and others. Further, as stated in the said note, the Company has received an intimation dated April 08, 2024 from National Asset Reconstruction Company Limited (NARCL) stating that pursuant to the Deed of Assignment dated March 28, 2024 executed under Section 5 of the SARFAESI Act, the consortium of lenders has assigned/transferred the outstanding debt/financial assets together with underlying security interests, pledged shares, guarantees, receivables and related charges in favor of NARCL acting in its capacity as trustee of NARCL Trust, which has been contested by the Company before the DRT.
2. Note No. 14 in the Financial Statements, the management has represented that in the view of the termination of the project, there is no major maintenance obligation on the company and accordingly the provision of major maintenance has been written back.
3. Note No. 16 in the Financial Statements, the management has represented that in the view of the termination of the project, there is no premium obligation payable to NHAI after termination period.
4. Note No. 33 to the Financial Statements, the company had issued notice of termination of Concession Agreement to NHAI on July 27, 2021 under Force Majeure Event of Concession Agreement. The company had attempted conciliation of the issues of the Project for amicable settlement. Due to non-progress of the same, the Company vide letter dated 24.03.2023 had notified the Conciliation Committee and NHAI regarding the failure of the Conciliation Proceedings. The said matters were referred to Arbitration by the Company on 27.03.2023. The company has lodged total claims amounting to Rs. 19,379.24 million relating to termination payments, O&M cost due to force majeure, Covid claim & demonetization etc. The NHAI had lodged its Counter Claims amounting to 6,227.01 million. The Company had submitted its reply on such counter claims. The Arbitral proceedings for the same are completed and the Arbitral Award is declared on 23.01.2025 unanimously, except for Counter Claim of NHAI regarding Premium that one Ld. Arbitrator has rejected it completely. As on the date of the said Majority award, the net awarded amount after deducting all dues of NHAI including Premium works out to Rs. 1080,54,53,650/- (principal of Rs. 779,63,14,657 and interest of Rs. 300,91,38,992/-). The NHAI and Company has challenged the Arbitration Award for respective limited portions against it before Hon'ble Delhi High Court. The matter is sub-judice before the Hon'ble Delhi High Court.

The Arbitration matter of Competing Road was referred to Arbitration. In the said matter, the majority award was passed on May 30, 2023 in favour of NHAI setting aside claims of Company and Minority Award dated 05.06.2023 in favour of Company amounting to Rs. 8509.80 Mn. The Company has challenged the Majority Award dated 30.05.2023 and filed a petition before the Hon'ble Delhi High Court, the said matter is sub-judice before Hon'ble Delhi High Court.

Since the project of the company has been terminated, management is of the view that going concern assumption for preparation of accounts is not appropriate and accounts have been drawn accordingly on non-going concern basis.

Our opinion is not modified with respect to above matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books **except for the effects of the matter stated in the Basis for Qualified Opinion section of our report.**

- c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, **except for the effects of the matter stated in the Basis for Qualified Opinion section of our report**, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) **Our observations made on the matters stated in Qualified Opinion paragraphs above may have a significant effect so as to adversely affect the functioning of the company.**
- f) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" which expresses an unmodified opinion.
- h) With respect to the Other Matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has no pending litigation which would impact its financial position except those disclosed in Financial Statements;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - The Company has not declared or paid any dividend during the year.

- vi. Based on our examination which included test checks, the company has used SAP S4 HANA based application as the accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended; In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid the managerial remuneration during the year.

Annexure 'A' to the Independent Auditor's Report of ROHTAK-PANIPAT TOLLWAY PRIVATE LIMITED for the Year ended as on 31st March, 2026

Annexure referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date: -

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment, Right-of-use Assets and Intangible Assets:
 - a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment
 - B. The Company does not have any Intangible assets as on 31st March 2026. Hence, reporting under Paragraph 3(i)(a)(B) is not applicable.
 - b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified by the management in a phased periodic manner. In accordance with this programme, Property, Plant and Equipment were verified at regular Intervals and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - c) The title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
 - d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or Intangible Assets during the year. Hence, reporting under Para 3(i)(d) is not applicable.
 - e) There are no proceedings which have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Hence, reporting under Para 3(i)(e) is not applicable.
- ii. a) The Company is engaged in the business of infrastructure development, operations and its maintenance and there is no inventory in hand at any point in time. Hence, reporting under paragraph 3(ii)(a) of the Order is not applicable to the Company.
- b) The Company has not been sanctioned any working capital limits, from banks or financial institutions on the basis of security of current assets. Hence, reporting under paragraph 3(ii)(b) of the Order is not applicable to the Company.
- iii. The Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Hence, reporting under paragraph 3(iii) of the Order is not applicable to the Company.
- iv. The Company has not entered into any transaction in respect of loans, investments, guarantee and securities, which attracts compliance to the provisions of the sections 185 and 186 of the Companies Act, 2013. Hence, reporting under paragraph 3(iv) of the Order is not applicable to the Company.
- v. The Company has not accepted deposits or amounts which are deemed to be deposits and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or

any other relevant provisions of the Companies Act and the rules framed there under. Hence, reporting under paragraph 3(v) of the Order is not applicable to the Company.

- vi. The Company is not required to maintain cost records under section 148 of the Act during the year. Hence, reporting under Para 3(vi) is not applicable.
- vii. In respect of statutory dues:

- a) The Company has been generally regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. As on 31st March, 2026, there are no undisputed statutory dues payables for period exceeding for a period more than six month from the date they become payable except for the following-

Name of the statute	Nature of the dues	Amount (Rs. In Mn)	Period to which the amount relates	Due Date	Date of payment
GST Act, 2017	Output RCM	0.0072	May-23	20 th June, 2023	Not paid
GST Act, 2017	Output RCM	0.01	Aug-23	20 th Sep, 2023	Not paid
Income Tax Act, 1961	TDS	24.33	Mar-21	30 th April 2021	Not paid
Provident	PF	0.1	Mar-21	15 th April 2021	Not paid
ESIC	ESIC	0.02	Mar-21	21 st April 2021	Not paid

- b) There are no Statutory dues referred to in sub-clause (a) that have not been deposited on account of any dispute.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- ix. In respect to the borrowings:

- a) the Company has defaulted in repayment of borrowings or in the payment of interest thereon to lenders as followed;

Name of the Lender	Interest Amount (In Rs. Million)	Principal Amount (In Rs. Million)
	More than 2 year	More than 2 year
CANARA Bank	129.84	602.20
PNB Bank	289.01	1,975.95
ICICI Bank	-	1,123.97
BOB Bank (Incl. Dena Bank and Vijaya Bank merged)	286.79	2,289.75
Indian Bank (Incl. Allahabad Bank merged)	301.40	1,199.47
IIFCL	205.27	1,043.40
Total	1,212.31	8,234.74

As the project of the Company has been terminated and handed over to NHAI (the "Authority"), the entire borrowings from the lenders are overdue for payment. However, the Company has lodged claims to the Authority pursuant to the conditions of the Concession Agreement. The Company has represented that it will be unable to repay the

borrowings and interest thereon to the lenders till the claims lodged with NHA I are settled and related settlement dues are realized by the Company.

*The above borrowings have been assigned to NARCL which have been contested by the Company before the DRT.

- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c) During the year, the Company has not raised money by way of term loans. Hence, reporting under paragraph 3(ix)(c) of the Order is not applicable to the Company.
 - d) The Company has not raised any short-term funds during the year.
 - e) On an overall examination of the Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - f) The Company does not have any subsidiaries, joint ventures or associate companies. Hence, reporting under paragraph 3(ix)(f) of the Order is not applicable to the Company.
- x. a) The Company has not raised the money by way of initial public offer/ further public offer (including debt instruments) during the year.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence, reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.
- xi. a) According to the information and explanations given to us by the management which have been relied by us, there were no frauds on or by the Company noticed or reported during the period under audit.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, as amended with the Central Government, during the year and up to the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Hence, reporting under paragraph 3(xii) of the Order is not applicable to the Company.
- xiii. All transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.
- xiv. a) In our opinion the company has an adequate internal audit system commensurate with the size and nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 is not applicable to the Company.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT
(Referred to in our Report of even date)**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to Financial Statements of **ROHTAK-PANIPAT TOLLWAY PRIVATE LIMITED** ("the Company") as of 31st March, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Financial Statements issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

- xvi. a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Hence, reporting under paragraph 3(xvi) (a) of the Order is not applicable to the Company.
- b) The Company has not conducted any Non-Banking Financial or Housing Finance activities. Hence, reporting under paragraph 3(xvi) (b) of the Order is not applicable to the Company.
- c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, reporting under paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- d) The Group does not have more than one CIC as a part of its Group. Hence, the provisions stated in paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current financial year but the Company has incurred cash losses in the immediately preceding financial year amounting to Rs. 3.23 Mn.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly reporting under this clause is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements our knowledge of the board of directors and management plan and based on our examination of the evidence supporting the assumption, material uncertainty exists as on the date of the audit report regarding whether the Company is capable of meeting its liabilities existing at the date of the Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date (refer point '1' of the Emphasis of Matter section above).
- xx. The Section 135 of the Companies Act, 2013 is not applicable to the Company. Hence, reporting under this para 3 (xx) (a) & (b) are not applicable.
- xxi. Paragraph 3(xxi) of the Order is not applicable to the Company as the 0020 Financial Statements under reporting are not consolidated Financial Statements.

and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31st March, 2026, based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to Financial Statements issued by the Institute of Chartered Accountants of India.

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

1. Company information:

Rohtak Panipat Tollway Private Limited ("the Company") is a private company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It's a whole owned subsidiary of Sadbhav Infrastructure Project Limited which is listed on two recognized stock exchanges in India. The registered office of the company is located at "Sadbhav House", Opp. Law Garden Police Chowki, Ellisbridge, Ahmedabad – 380 006.

The Company was incorporated as a Special Purpose Vehicle (SPV) in January, 2010, for the purpose of four laning of Rohtak Panipat section of NH-10 from KM 63.30 to KM 83.50 of NH-1 in the state of Haryana on Design, Build, Finance, Operate and Transfer ("DBFOT") basis. The Company has entered into Concession Agreement with National Highways Authority of India (NHAI) with a Concession Period of 25 years w.e.f. 09th March, 2010. The Company had received provisional completion certificate dated 6 January'2014 from NHAI. The toll collection had commenced from that date.

The company has terminated the concession agreement with NHAI on July 27, 2021, by exercising the criteria of 'Event of Defaults' under concession agreement and the toll collection hand over to the NHAI by the Company. The company has filed a claim for INR 15,290.58 Million as a termination payment and other Claims amounting to INR 4,088.65 Million on the account of O&M cost due to force majeure, Covid claim & demonetization claim to the NHAI. In respect of such claims, NHAI has approached to the company for settlement of all these claims by way of conciliation proceedings in previous year, which has been consented by the company but due to nonprogress of the same the matters were referred to the Arbitral Tribunal. The Arbitral proceedings for the same are completed and the Arbitral Award is declared on 23.01.2025 unanimously, except for Counter Claim of NHAI regarding Premium that one Ld. Arbitrator has rejected it completely. As on the date of the said Majority award, the net awarded amount after deducting all dues of NHAI including Premium works out to INR 10,805.45 millions (principal of INR 7,796.31 millions and interest of INR 3,009.14 millions).

The financial statements were authorized for issue in accordance with a resolution of the directors on May 05, 2026

2. Basis of preparation and presentation of financial statement:

(a.) Compliance with IND AS:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and relevant amendment rules issued thereafter.

Financial statements for the period ended 31st March, 2026 have been prepared based on non-going concern basis following below mentioned accounting policies.

- i. All assets are depicted at expected realizable value unless otherwise stated
- ii. All Liabilities are depicted at expected settlement value unless otherwise stated.
- iii. Borrowing Cost-Refer Note- 3.8
- iv. Earnings Per Equity Share-Refer Note- 3.17
- v. Taxation –Refer Note- 3.13
- vi. Provisions and Contingent Liabilities-Refer- 3.14 and 3.15 respectively.
- vii. Cash and cash equivalents-Refer Note- 3.16

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

- viii. Cash Flow Statement as per IND-AS 7
- ix. Claims are accounted for on expected recoverable value.
- x. Critical accounting estimates and judgements-Refer Note-2(d)
- xi. Other Incomes-Refer Note- 3(iv)

(b.) Basis of Presentation:

The Balance Sheet, the Statement of Profit and Loss and Statement of Changes in Equity are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The financial statements are presented in INR, which is the functional currency and all values are rounded to the nearest million (INR 000,000), except when otherwise indicated.

(c.) Basis of Measurement:

The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

(d.) Use of estimates and judgements:

The preparation of these financial statements is in conformity with IND AS which requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialize. Estimates include the useful lives of property plant and equipment and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, provisions for major maintenance expenses, provision for premium obligations, provision for incomplete work, fair value measurement etc. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3. Summary of material accounting policy

The following are the material accounting policy applied by the company in preparing its financial statements:

3.1 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification. An asset is current when it is:

- expected to be realised or intended to be sold or consumed in the normal operating cycle;
- expected to be realised within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Rohtak Panipat Tollway Private Limited
Notes to Financial statement for the year ended March 31, 2026

A liability is current when:

- it is expected to be settled in the normal operating cycle;
- it is due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3.2 Service Concession Agreements

Toll collection rights

The Company builds infrastructure assets under public-to-private Concession Arrangements which it operates and maintains for periods specified in the Concession Arrangements.

Under the Concession Agreements, where the Company has received the right to charge users of the public service, such rights are recognised and classified as "Intangible Assets" in accordance with Appendix D to Ind AS 115. Such right is not an unconditional right to receive consideration because the amounts are contingent to the extent that the public uses the service and thus are recognised and classified as intangible assets. Such an intangible asset is recognised by the Company at cost (which is the fair value of the consideration received or receivable for the construction services delivered) and is capitalized when the project is complete in all respects and when the company receives the completion certificate from the authority as specified in the Concession Agreement. The economics of the project is for the entire length of the road / infrastructure as per the bidding submitted.

Amortization of Toll collection rights

The intangible assets which are recognised in the form of Toll right to charge users of the infrastructure asset are amortized by taking proportionate of actual revenue received for the year over Total Projected Revenue from project to Cost of Intangible assets i.e. proportionate of actual revenue earned for the year over Total Projected Revenue from the Intangible assets expected to be earned over the balance concession period as estimated by the management.

As required, total Projected Revenue reviewed by the management at the end of each financial year and accordingly, the total projected revenue is adjusted to reflect any changes in the estimates which lead to the actual collection at the end of the concession period.

3.3 Revenue Recognition

The company primarily derives revenue in terms of the Appendix D to Ind AS 115 which covers specific aspects related to the Service Concession Agreements. The company follows Intangible Asset model prescribed in the Appendix.

Revenue is recognized upon transfer of control of promised service to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those services or goods. Revenue, primarily, is measured based on the transaction price (realization of toll receipts), which is the consideration for usage of the toll roads. Since the company does not provide any other services, the disaggregation of revenues is not disclosed.

(i) Revenue from contract with customers:

Revenue from contract with customer is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. The specific recognition criteria described below must also be met before revenue is recognized. The company has concluded that it is principal in its revenue arrangements because its typically controls services before transferring them to the customer.

i. Toll operation services

Revenue from Toll operation services is recognised over a period as each toll road-user simultaneously receives and consumes the benefits provided by the Company. However, given the short time period over which the company provides road operating services to each road user (i.e. the duration of the time it takes the road user to travel the length of the toll road), the Company recognises toll revenue when it collects the tolls as per rates notified by National Highway Authority of India.

ii. Construction services

Revenue from construction services is recognised over a period as the customer simultaneously receives and consumes the benefits provided by the Company and measure revenue based on input method i.e. revenue recognised on the basis of cost incurred to satisfaction of a performance obligation relative to the total expected cost to the satisfaction of that performance obligation. If the outcome of a performance obligation satisfied over time cannot be reasonably measured, revenue is calculated using the zero-profit method in the amount of the contract costs incurred and probably recoverable.

Contract Balances

Contract Assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the company performs by transferring goods or services to a customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

Contract Liabilities

Rohtak Panipat Tollway Private Limited
Notes to Financial statement for the year ended March 31, 2026

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related goods or services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

(ii) Gain or loss on sale of Mutual Fund

Gain or Loss on sale of mutual fund is recorded on transfer of title from the Company, and is determined as the difference between the sale price and carrying value of mutual fund and other incidental expenses.

(iii) Dividend

Income from dividend on investments is accrued in the year in which it is declared, whereby right to receive is established.

(iv) Interest

Interest income is recognised using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(v) Government Grants

Government Grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on systematic basis over the periods that the related cost, for which it is intended to compensate, are expensed.

(vi) Other Income

Other items of income are recognised as and when the right to receive arises.

3.4 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost comprise the purchase price, borrowing costs if the recognition criteria are met and directly attributable cost of bringing the assets to its working condition for its intended use. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives.

All other expenses on existing property plant and equipment, including day-to-day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

Rohtak Panipat Tollway Private Limited
Notes to Financial statement for the year ended March 31, 2026

Depreciation

Depreciation on Property, Plant and Equipment is provided on the written down value method basis over useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013. When parts of an item of property, plant and equipment have different useful life, they are accounted for as separate items (Major Components) and are depreciated over their useful life or over the remaining useful life of the principal assets whichever is less.

Depreciation for assets purchased/sold during a period is proportionately charged for the period of use.

The estimated useful lives, residual values and depreciation method of property, plant and equipment are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

3.5 Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, Intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over their useful economic lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Amortization

The intangible assets which are recognised in the form of Toll right to charge users of the infrastructure asset are amortized by taking proportionate of actual revenue received for the year over Total Projected Revenue from project to Cost of Intangible assets i.e. proportionate of actual revenue earned for the year over Total Projected Revenue from the Intangible assets expected to be earned over the balance concession period as estimated by the management.

As required, total Projected Revenue is reviewed by the management at the end of the each financial year and accordingly, the total projected revenue is adjusted to reflect any changes in the estimates which lead to the actual collection at the end of the concession period.

Rohtak Panipat Tollway Private Limited
Notes to Financial statement for the year ended March 31, 2026

3.6 Impairment – Non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the higher of the fair value less cost of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset for which the estimates of future cash flows have not been adjusted. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss.

Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

3.7 Investment Property

Investment Property is measured initially at cost including related transaction costs. Such cost comprises the purchase price, borrowing cost if capitalization criteria are met. All day-to-day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

An investment property is derecognised on disposal or on permanently withdrawal from use or when no future economic benefits are expected from its disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised. In determining the amount of consideration from the derecognition of investment property the Company considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any). Transfers are made to (or from) investment property only when there is a change in use.

3.8 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur. Borrowing cost consist of interest and other costs that company incurs in connection with the borrowing of funds. Investment income earned on temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

3.9 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

Company as lessee

An operating lease is a lease other than a finance lease. Operating lease payments are recognised as an operating expense in the Statement of Profit and Loss on a straight-line basis over the lease term except the case where incremental lease reflects inflationary effect and lease expense is accounted in such case by actual rent for the period.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of building (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office building that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

3.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

i. Initial recognition and measurement of financial assets

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e. the date that the Company commits to purchase or sell the asset.

However, trade and other receivables are recognised on amortised cost.

ii. Subsequent measurement of financial assets

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial assets at amortized cost
- Financial assets at fair value through other comprehensive income (FVTOCI)
- Financial assets at fair value through profit or loss (FVTPL)

• Financial assets at amortized cost:

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

• Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the above conditions mentioned in "Financial assets at amortized cost" are met. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

• **Financial assets at fair value through other comprehensive income:**

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

• **Financial assets at fair value through profit or loss:**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as at FVTPL.

iii. **De-recognition of financial assets**

A financial asset is de-recognized when the contractual rights to the cash flows from the financial asset expire or the Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

iv. **Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables and

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

- Other financial assets

Trade receivable:

Also the receivable from companies are considered to be good and there are neither been any past instances of default and also management doesn't expect any default in case of Company receivables, therefore Impairment losses are not recognised as per Ind AS 109.

b) Financial Liabilities

i. Initial recognition and measurement of financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

All financial liabilities are recognised initially at fair value. All financial liabilities are recognised initially at fair value and, in the case of loan and borrowings and payable, net of directly attributable transaction costs.

ii. Subsequent measurement of financial liabilities

The measurement of financial liabilities depends on their classification, as described below:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortized cost (loans and borrowings)

• Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

• Financial Liabilities at amortised cost (Loans and Borrowings)

This is the category most relevant to the Company. After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

• Equity component of Compound financial instruments

The Company has borrowed subordinate debt in nature of Sponsors contribution in the project as per requirement of loan agreement, which the company has classified in the other equity as the same is redeemable at the Company's option and without coupon as per terms of contract.

iii. Derecognition of financial liabilities

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

A financial liability (or a part of a financial liability) is derecognised from its balance sheet when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

c) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if the Company currently has enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.11 Fair Value Measurement

The company measures financial instruments such as derivatives and Investment in Mutual Fund at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market price in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Significant accounting judgements, estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Financial instruments (including those carried at amortized cost)

3.12 Employee Benefits

a) Short Term Employee Benefits

All employee benefits payable are expected to be settled wholly within 12 months after the end of the reporting period are classified as short term benefits. Such benefits include salaries, wages, bonus, short term compensation etc. and the same are recognized as an expense in the statement of profit and loss in the period in which the employee renders the related services.

b) Post-Employment Benefits

(i) Defined contribution plan

The Company's approved provident fund scheme is defined contribution plans. The Company has no obligation, other than the contribution paid/payable under such schemes. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

(ii) Defined benefit plan

The employee's gratuity fund scheme is Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation under the defined benefit plans, to recognise the obligation on the net basis.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

c) Other Employment benefits

The employee's compensated absences, which is expected to be utilized or encashed within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as result of the unused entitlement that has accumulated at the reporting date. As per Company's policy, no leave are expected to be carried forward beyond 12 months from the reporting date.

3.13 Income tax

Income tax expense comprises current tax and deferred tax.

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with Income tax 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current income tax are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the balance sheet approach. Deferred tax is recognized on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences except when the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

As per provision of Income tax Act 1961, the Company is eligible for a tax holiday under section 80IA for a block of 10 consecutive assessment year out of 20 year beginning of toll operation. The current year is eleventh year of company's operation and it propose to start claiming tax holiday in the subsequent year only. No deferred tax (assets or liabilities) is recognized in respect of temporary difference which reverse during tax holiday period, to the extent such gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing difference which is reverse after the tax holiday period is recognised in the year in which the timing difference originate. However, the company restricts recognition of deferred tax assets to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. For recognition of deferred tax, the timing difference which originate first are considered to reverse first.

The carrying amount of deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where company has a legally enforceable right to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.14 Provisions

General

Provision is recognized when the company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contractual obligation to restore the infrastructure to a specified level of serviceability

The Company has contractual obligations to maintain the road to a specified level of serviceability or restore the road to a specified condition before it is handed over to the grantor of the Concession Agreements. Such obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. The timing and amount of such cost are estimated and determined by estimated cash flows, expected to be incurred in the year of overlay. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to such obligation. The unwinding of the discount is expensed as incurred and recognised in the statement of profit and loss as a finance cost. The estimated future costs of such obligation are reviewed annually and adjusted as appropriate.

3.15 Contingent liabilities and assets

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Claims against the Company not acknowledged as debts are disclosed under contingent liabilities. Claims made by the company are recognised as and when the same is approved by the respective authorities with whom the claim is lodged.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements

3.16 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered as integral part of the Company's cash management.

3.17 Earnings/(Loss) per share

Basic EPS is calculated by dividing the profit / (loss) for the year attributable to ordinary equity holders by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by dividing the profit / (loss) attributable to ordinary equity holders by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

3.18 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

3.19 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

4. A.) Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make estimates, judgments and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the accompanying disclosure, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

(i) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(ii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(iii) Taxes

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the credits can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(iv) Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget generally covering a period of the concession agreements using long terms growth rates and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

(v) Property, plant and equipment

Refer Note 3.4 for the estimated useful life of Property, plant and equipment. The carrying value of Property, plant and equipment has been disclosed in Note 5.

(vi) Intangible Assets

The intangible assets which are recognized in the form of Toll right to charge users of the infrastructure asset are amortized by taking proportionate of actual revenue received for the year over Total Projected Revenue from project to Cost of Intangible assets. The estimation of total projection revenue requires significant assumption about expected growth rate and traffic projection for future. All assumptions are reviewed at each reporting date.

Rohtak Panipat Tollway Private Limited

Notes to Financial statement for the year ended March 31, 2026

(vii) Provision for periodical Major Maintenance

Provision for periodical Major Maintenance obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. The timing and amount of such cost are estimated and determined by estimated cash flows, expected to be incurred in the year of overlay. All assumptions are reviewed at each reporting date.

(viii) Estimation of uncertainties relating to the global health pandemic from COVID-19:

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of investments, tangible assets, contract assets and contract cost. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information on the expected future performance of the Company.

Outstanding at the end of the year	21,86,445	21.86	21,86,445	21.86

(b) Terms/Rights attached to the equity shares:

The Company has only one class of shares referred to as equity shares having a par value of INR 10 each. Each shareholder is entitled to one vote per share held. In the event of liquidation of the Company, the holders of equity shares shall be entitled to receive any of the residual assets of the Company, after distribution of all preferential amounts. The amount distributed will be in proportion to the number of equity shares held by the shareholders.

(c) Share held by holding Company:

Out of equity shares issued by the company, shares held by its holding company:

Sadbhav Infrastructure Project Limited - Holding Company (including nominees)
2,186,445 (March 31, 2025: 2,186,445) equity shares

March 31, 2026 (INR In Million)	March 31, 2025 (INR In Million)
21.86	21.86

(d) Number of shares held by each shareholder holding more than 5% Shares in the company

Particulars	March 31, 2026		March 31, 2025	
	No. of shares	% of shareholding	No. of shares	% of shareholding
Equity shares of Rs 10 each fully paid				
Sadbhav Infrastructure Project Limited and its nominees	21,86,445	100.00%	21,86,445	100.00%

As per the records of the company, including its registers of shareholders/member and other declaration received from shareholders regarding beneficial interest, the above shareholding represents both legal and beneficial ownership of shares.

(e) Shareholding of Promoters

Name of Promoter	No of Shares	% of Total Share	% Change During Period

Employee emoluments payable	6.72	6.18
Total	7,404.76	7,464.08

Note:

- 1 Premium obligation under the Concession Agreement has been deferred by NHAI vide its sanction letter dated September 10, 2014. According to the terms of the sanction letter company shall pay entire deferred premium and interest thereon not later than one year prior to the expiry of the concession period. Amount of premium obligation which has not been deferred are payable in unequal monthly instalments, in terms of the sanction letter, during the concession period. On July 27, 2021 the Company had terminated the concession as mentioned in **note no 33** and hence the fair value liability of premium obligation after the date of termination has been written back.

As per the Ministry of Road Transport & Highways policy of National Highway Authorities of India (NHAI), the company is liable to make payment of Interest on Deferment of Premium at Bank Rate + 2% p.a. which is charged to statement of profit & loss account for the year and obligation on the same has been recognised as liabilities. As the project has been terminated no further liability has been recognised during the year in the books of accounts.

Deferred tax expense/(income)
Deferred tax expense/(income) recognised in statement of profit & loss (refer note below)
Net deferred tax assets/(liabilities)
Net deferred tax assets/(liabilities) recognised in balance sheet (refer note below)

Notes

- As a matter of prudence, the company has recognised deferred tax assets on deductible temporary differences and carry forward of unused tax losses in the books to the extent of deferred tax liability balance, as it is not probable that future taxable profit will be available against which those temporary differences, losses and tax credit against which deferred tax assets can be utilized. Accordingly, INR 5,563.49 million (31 March 2025: INR 5,563.49 million) has not recognised as deferred tax assets in the books as at reporting date.

Rohtak-Panipat Tollway Private Limited
Notes to Financial Statements as at and for the year ended March 31, 2026

22 Earning per share (EPS):

The following reflects the income and equity share data used in the basic and diluted EPS computations:

28 Fair value disclosures for financial assets and financial liabilities

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

Particular	March 31, 2026		March 31, 2025	
	Carrying amount	Fair value	Carrying amount	Fair value
Financial liabilities				
Other financial liabilities - premium obligation	3,982.55	3,982.55	3,982.55	3,982.55
Total Financial Liabilities	3,982.55	3,982.55	3,982.55	3,982.55

Notes:

- The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.
- The carrying value of Company's interest-bearing borrowings are reasonable approximations of fair values as the borrowing carry floating interest rate.
- The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

29 Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities:

Quantitative disclosures fair value measurement hierarchy for financial assets as at March 31, 2026 and March 31, 2025

Liabilities measured at fair value	Note No.	Fair value measurement using Significant observable inputs (Level 2)	
		March 31, 2026	March 31, 2025
liabilities for which fair values are disclosed			
Other Financial Liabilities - Premium Obligation	16	3,982.55	3,982.55

There have been no transfers between level 1 and level 2 during the years.

30 Financial instruments risk management objectives and policies

The Company's principal financial liabilities comprise borrowings and trade & other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, other financial assets and cash and bank balance that derive directly from its operations.

The Company's activities expose it to market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include borrowings, other receivables, trade and other payables.

Within the various methodologies to analyse and manage risk, Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the entities. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions. The risk estimates provided here assume:

- a parallel shift of 25-basis points of the interest rate yield curves in all currencies.

- a simultaneous, parallel foreign exchange rates shift in which the INR appreciates / depreciates against all currencies by 2%

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of profit & loss may differ materially from these estimates due to actual developments in the global financial markets.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity and provisions.

The following assumption has been made in calculating the sensitivity analyses:

1. The sensitivity of the relevant statement of profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held as at March 31, 2026 and March 31, 2025.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The interest risk arises to the Company mainly from long term borrowings with variable rates. The Company manages its interest rate risk by having a floating interest rate loans and borrowings. The Company measures risk through sensitivity analysis.

The bank finances are at variable rate, which is the inherent business risk.

Interest rate sensitivity

In View of termination of the project undertaken by the company, interest expense not charged into book in current year and therefore the Profit / Loss after tax shall not have any impact during the year. Consequently, impact on profit/loss after tax due to increase or decrease of interest rate has not been calculated.

(b) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily other financial assets) and from its financing activities, including balance with bank and other financial instruments.

Financial instruments

Credit risk from balances with banks and financial institutions is managed by the Company's finance and accounts department in accordance with the Company's policy. Investments of surplus funds are made only in accordance with company policy. The Company monitors the ratings, credit spreads and financial strength of its counterparties. Based on its on-going assessment of counterparty risk, the Company adjusts its exposure to various counterparties. The Company's maximum exposure to credit risk for the components of the balance sheet as of March 31, 2026 is INR 2.33 million and March 31, 2025 is INR 2.33 million.

(c) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys cash management system. It maintains adequate sources of financing including debt at an optimised cost.

The company measures risk by forecasting cash flows.

In View of termination of the project undertaken by the company, it has encountered difficulty in meeting obligations associated with bank borrowing and other payable. Due to default in payment obligation to the consortium banks, some banks have classified account of the company as Non-Performing.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	Total Amount	On Demand	upto 1 year	1-2 years	2 - 5 years	(INR in million) > 5 years
As at March 31, 2025						
Current borrowings	9,613.19	1,378.46	-	-	8,234.73	-
Trade payables	103.62	-	-	-	103.62	-
Other financial liabilities	7,404.76	-	-	-	7,404.77	-
Total	17,121.57	1,378.46	-	-	15,743.12	-
As at March 31, 2024						
Current borrowings	10,163.19	1,928.46	-	8,234.73	-	-
Trade payables	147.68	-	-	147.68	-	-
Other financial liabilities	7,464.08	-	-	7,464.08	-	-
Total	17,774.96	1,928.46	-	15,846.50	-	-

31 Capital Management

For the purpose of the Company's capital management, capital consist of share capital and all other reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is maximise shareholder value.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The Company monitors capital using a debt equity ratio, which is total borrowings divided by total equity excluding balance of negative balance of retain earning.

The key performance ratios as at 31 March are as follows

	March 31, 2026 (INR in million)	March 31, 2025 (INR in million)
Current borrowings (refer note 13)	9,613.19	10,163.19
Equity share capital (refer note 11)	21.86	21.86
Other equity (refer note 12)	(4,375.99)	(4,414.33)
Add: Deficit in statement of profit and loss account (refer note 12)	9,260.60	9,298.93
Total (A)	9,613.19	10,163.19
Total (B)	4,906.47	4,906.46
Debt equity ratio (A/B)	1.96	2.07

32 Disclosure pursuant to Appendix - E to Ind AS 115 - "Service Concession Arrangements" ('SCA')

A Description and classification of the arrangement

The Company has entered into Service Concession Agreement ('SCA') with National Highway Authority of India (NHAI) dated March 09, 2010 for the purpose of four laning of Rohtak -Panipat section from Km 63.30 of NH-10 to Km 83.50 on NH-1 in the state of Haryana on Design, Built, Finance, Operate and Transfer (DBFOT) basis. The Concession period is of 25 years including construction period of 910 days. The Company obtained completion certificate on 6th January, 2014 from NHAI.

B Significant Terms of the arrangements

i Revision of Fees:

Fees shall be revised annually on April 01 subject to the provisions of the National Highways Fee (Determination of Rates and Collection) Rules, 2008.

ii Modification of concession period:

The Concession period shall be modified:

- a If Actual Average Traffic falls short of Target Traffic by more than 2.5%, the concession period shall be increased by 1.5% thereof for every 1% shortfall, but not more than 20% of the concession period.
- b If Actual Average Traffic exceeds Target Traffic by more than 2.5%, the concession period shall be reduced by 0.75% thereof for every 1% increase, but not more than 10% of the concession period.
- c If the average daily traffic exceeds the designed capacity of the project highway, the concession period shall be extended (not more than 5 years) in such a way so as to enable the concessionaire to yield Equity IRR of 16% p.a with an assumption of debt equity ratio of 70:30.
- d If the additional tollway has been constructed, either the concession period shall be extended or compensation has been granted.
- e The concessionaire shall pay Additional Concession fees of INR 450.00 Million for each year of concession period out of the gross revenue of the project as share of Authority from COD, Premium shall be determined by increasing the amount of premium in the respective year by an additional 5% as compared to preceding year.
- f Authority (NHAI) has granted deferment of Premium payable to NHAI as per the deferment schedule upto year 2026-27 and entire premium payable before end of one year from end of concession period.
- g In case of material default or breach of agreement by NHAI which causes suspension of or reduction in collection of Fees, it shall pay to the Concessionaire, the compensation for consequence of such material default or extend the concession period.
- h If, due to change in the law, company suffers an increase in cost or reduction in net after-tax return or the other financial burden subject to the limits specified in the SCA, the SCA shall be modified in such a way that it nullifies such impact of cost increase, reduction in return or other financial burden. However if no such modification is done, Company may require by notice to the authority to pay an amount that would place the company in the same financial position that it would have enjoyed, had there been no such change in the law. Any dispute in the said procedure shall be settled in accordance with the Dispute Resolution Procedure. Opposite will be the case, in case of reduction in cost.

iii Rights of the Company to use project highway

- a To demand, collect and appropriate, Fee from vehicles and Users liable for payment of Fee for using the Project Highway or any part thereof and refuse entry of any vehicle if the Fee due is not paid.
- b Right of Way, access and licence to the Site.

iv Obligation of the company

- a The Concessionaire shall not assign, transfer or sublet or create any lien or Encumbrance on the SCA, or the Concession granted or on the whole or any part of the Project Highway nor transfer, lease or part possession thereof, save and except as expressly permitted by SCA or the Substitution Agreement. The project highway means site comprising the existing road comprising from KM 63.30 of NH-10 to KM 83.50 of NH-1 and all Project asset, and its subsequent development and augmentation in accordance with the SCA.
- b The Concessionaire is under obligation to carry out the routine and periodic maintenance of Project Highway as per Schedule K of the SCA.

v Details of any assets to be given or taken at the end of concession period

At the end of the Concession period the company shall deliver the actual or constructive possession of the Project Highway, free and clear of all encumbrances.

vi Details of Termination

SCA can be terminated on account of default of the company or NHAI in the circumstances as specified under article 37 of the SCA. During the financial year 2021-22, the company has issued concession termination notice to NHAI on July 27, 2021 by exercising the criteria of 'Event of Defaults' under concession agreement.

C There has been no change in the concession arrangement during the year.

- D As per the Concession Agreement; the Concessionaire, in case any force majeure event occurs after COD, whereupon the Concessionaire is unable to collect fee despite making best efforts or it is directed by authority to suspend the collection thereof during the subsistence of such force majeure event, the Concession period shall be extended by a period equal in length to the period during which the concessionaire was prevented from collection of fee on account thereof, provided that in the event of partial collection of fee where the daily collection is less than 90% of average daily fee, the authority shall extend the concession period in proportion to loss of fee on daily basis. Refer note 33.

From December 25, 2020, the toll collection was forcefully suspended due to agitation and protest held by farmers and other unions against agri-marketing laws. Accordingly, the company was not able to collect toll user fees from December 25, 2020. The company had sent various communications to authorities for such forceful suspension of toll including revenue loss claim. Accordingly, the company had issued notice of termination of Concession Agreement to NHAI on July 27, 2021 under Force Majeure Event of Concession Agreement. The Termination Payment and other payments due from NHAI were pending for the long time. The company had attempted conciliation of the issues of the Project for amicable settlement. Due to non-progress of the same, the Company vide letter dated 24.03.2023 had notified the Conciliation Committee and NHAI regarding the failure of the Conciliation Proceedings. The said matters were referred to Arbitration by the Company on 27.03.2023. The Company has lodged a total claim amounting to INR 19,379.20 millions relating to termination payment, Force Majeure Costs due to Force Majeure event of Farmer's Agitation, COVID-19, & Demonetization, and NPV of extension entitled due to Force Majeure event of Farmers agitation and Covid19. The NHAI had lodged its Counter Claims amounting to 6,227 Millions. The Company had submitted its reply on such counter claims. The Arbitral proceedings for the same are completed and the Arbitral Award is declared on 23.01.2025 unanimously, except for Counter Claim of NHAI regarding Premium that one I.d. Arbitrator has rejected it completely. As on the date of the said Majority award, the net awarded amount after deducting all dues of NHAI including Premium works out to Rs. 10,805.45 millions (principal of Rs. 7,796.31 millions and interest of Rs. 3,009.14 millions). The NHAI and Company has challenged the Arbitration Award for respective limited portions against it before Hon'ble Delhi High Court. The matter is sub-judice before the Hon'ble Delhi High Court.

The Arbitration matter of Competing Road was referred to Arbitration. In the said matter, the majority award was passed on May 30, 2023 in favour of NHAI setting aside claims of Company and Minority Award dated 05.06.2023 in favour of Company amounting to Rs. 8,509.80 millions. The Company has challenged the Majority Award dated 30.05.2023 and filed a petition under Section 34 of Arbitration & Conciliation Act 1996 before the Hon'ble Delhi High Court to set aside the Majority Award dated 30.05.2023. The same is sub-judice before Hon'ble Delhi High Court.

The dispute of Claim for Additional Cost on account of ban of quarrying of stone and loss of Toll collection due to delayed issuance of Provisional Certificate was referred to Arbitration. An unanimous Award dated 06.10.2017 by Arbitral Tribunal was awarded in favour of Company amounting to Rs. 890.2 millions (amount inclusive of costs & interest pendente lite) plus delayed interest. This Award was challenged by NHAI under Section 34 before the Delhi High Court. The Delhi High Court has passed its Judgment dated 16.02.2023 wherein one claim was set aside (loss of Toll collection) and one claim was upheld (Additional Cost on account of ban of quarrying of stone) along with its pendente lite interest and delayed interests, etc. The Delhi High Court in its Judgment dated 16.02.2023, the value of award payable by NHAI to RPTPL as on 15.10.2023 works out to Rs. 1211.90 millions and further interest thereon. NHAI had challenged the said award under Section 37 before Division Bench of Delhi High Court. The said matter is now withdrawn by NHAI. The matter is settled under Vivad se Vishwas II scheme.

NHAI had claimed on RPTPL a claim on account of negative FRL which was referred to Arbitration. The Majority Award on 31.10.2020 by Tribunal was in favour of NHAI amounting to Rs. 203.40 millions. The interest on delayed payment is awarded at 7.4% simple interest, as on 15/10/2023 works out to Rs. 247.90 millions and further interest thereon. The dissenting note by the Minority of the Tribunal had stated to reject the claim of NHAI in favour of Company. The Company has challenged the said Majority Award under Section 34 before the Delhi High Court. The said matter is now withdrawn by RPTPL. The matter is settled under Vivad se Vishwas II scheme.

The Arbitration Award dated 06.10.2017 and Arbitration Award dated 31.10.2020 has been settled through Settlement Agreement dated 20.03.2025 under Vivad se Vishwas II Scheme of Govt. of India for the net settlement amount of about Rs. 65 Cr and the said amount is received during the quarter ended June 30, 2025.

Considering the above circumstances the company has prepared accounts on non-going concern basis during the year.

	Net Claim		10,805.45	

34 The Arbitration matter of Competing Road was referred to Arbitration. In the said matter, the majority award was passed on May 30, 2023 in favour of NHAI setting aside claims of Company and Minority Award dated 05.06.2023 in favour of Company amounting to INR 8,509.8 Millions. The Company has challenged the Majority Award dated 30.05.2023 and filed a petition under Section 34 of Arbitration & Conciliation Act 1996 before the Hon'ble Delhi High Court to set aside the Majority Award dated 30.05.2023. The same is sub-judice before Hon'ble Delhi High Court.

35 Events Occurring after the Balance Sheet date

The Company evaluates events and transactions that occur subsequent to the balance sheet date but prior to the financial statements to determine the necessity for recognition and/or reporting of any of these events and transactions in the financial statements. As of there were no subsequent events to be recognized or reported that are not already disclosed.

36 The Company does not have any transaction to which the provision of Ind AS-2 relating to "Valuation of Inventories" applies.

37 In the opinion of the Board, the current assets, loans & advances, have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the Balance Sheet.

38 Ratios

The Company has presented its financials on Non-going concern, therefore, ratio analysis as required by Schedule III (Revised) has not been presented.

39 Amendment in existing Labour Laws:

On November 21, 2025, The Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and working Conditions Code, 2020 - consolidation 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to change in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. The Impact of change in contractual employees wages rules (including the gratuity and wage revision) is considered under "Operation and maintenance expenses". There are no employees in the Company and hence the Company does not assess any impact of the amendments on financial statements.

40 Additional regulatory information required by Schedule III

42 Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2026, MCA has notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 applicable to the company w.e.f. 1st April, 2025.

(i) Amendments to Ind AS 21 - Lack of exchangeability

The amendment requires the Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows. The amendments are effective for annual reporting periods beginning on or after 1st April 2025. When applying the amendments, an entity cannot restate comparative information. The amendments do not have a material impact on the Company's Financial Statements.

(ii) Amendments to Ind AS 1 – Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

If there is a breach of a material covenant of a long-term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting date, and the lender agrees—after the reporting period but before the financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current.

The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8.

The amendments do not have a material impact on the Company's Financial Statements.

(iii) Amendments to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements

In August 2025, the MCA notified amendments to Ind AS 7 Statement of Cash Flows and Ind AS 107 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

The amendments do not have a material impact on the Company's Financial Statements.

(iv) International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12

In August 2025, the MCA notified amendments to Ind AS 12 Income Taxes in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 April 2025, but not for any interim periods ending on or before 31 March 2026.

The amendment had no impact on the Company's Financial Statements as the Company is not in scope of the Pillar Two model rules.

43 The financial statements were authorized for issuance by the Board of Directors of the Company in their meeting held on May 05, 2026.
